Dear Mr. Lambert:

Re: Deep Creek Dist.

We enclose herewith a copy of the Amended Order as agreed to by the parties involved in the case of Huber et al vs. Deep Creek Irrigation Company, et al, Civil No. 3067.

As was stated in the hearing you held in Lapoint on August 5th, the waters of Upper Deep Creek were adjudicated by the Fourth Judicial District Court of the State of Utah in and for Uintah County, in the cases of Cyrus H. Spriggs vs. Teancum Taylor, et al and John S. Hacking vs. Deep Creek Stock Company et al. The present users, who succeeded the original parties in this 1892 adjudication are not parties in the case of Huber vs. Deep Creek, and have no common problems and have not been involved in the many controversies of the lower users and do not want to become involved.

The consideration given the present owners of these water rights is appreciated. The present owners are E. L. & Merrill B. Meacham, Eldon Johnson, Orson Johnson, Lyle C. Taylor, Floyd Perry and the Frost Brothers.

Sincerely,

COLTON & HAMMOND

Hugh W. Colton
